PRESIDENT'S MESSAGE

February, one month closer to Spring! So far the weather hasn't been too bad? This will be an odd message for me as I was at the Huge Mecum Kissimmee car auction and was unable to attend our January Board meeting that was held on January 7th and hosted by Cliff Schulz at the Hillview Restaurant. With the Annual Banquet being held on the 25th of January I have to submit this message before that event happens.

Our attendance at the Annual Banquet has been dropping each year, the Board and the Chair people are asking why? Please let me know your feelings, we do realize that a bunch of members do go to Florida for all or some of the winter and that the 2 most expensive events, the Banquet and the Christmas party, do occur in consecutive months, so if you have any feelings on this please let me or any Board member know?

Our February meeting will be held on the third Sunday, February 16th, instead of our usual second Sunday back at the Polish Falcon's and our guest speaker will give a very interesting talk and presentation on the history of those big old mansions along Delaware Ave. Who built them, the money behind them and the family's that lived in them, please try to attend. The Board moved the date because the second weekend in February is normally the AACA National Meeting in Philadelphia, which I really wanted to attend this year on behalf of the region but I am unable to go because of work conflicts.

Back to the Mecum Car Auction, Mark Yearke and I have been attending this event for 10 years now and it has

really grown, plus we have been meeting a bunch of LER "snowbirds" while down there. This year we met up with Paul Vergils, Al Forster, Ron Billo, Dan Gernatt and Joe and Linda McCaffrey. If you get the chance, it is really a great time. Non-stop direct airfare with Southwest, Jet Blue or Frontier is less than \$200 roundtrip and being just after the Holidays the hotels are very inexpensive. Please contact me if you would like more info on it for next year.

One other note, the Annual AACA Grand National meet is one not to be missed this year. It is being held on the grounds of the NB Center for Automotive Heritage in Allentown PA. July 25th. It is founded by Nicola Bulgari, the famous jeweler, his complex consists of 26 acres and 14 buildings where his personal collection of cars are displayed and at the centerpiece of his display is a drive in movie house. He collects cars from the 30's and 40's. In the latest issue of Hemmings Motor News the Editor goes into much greater detail. They are expecting a very large turnout of show cars, so they are limiting it to the first 600 cars entered, even if you will not be showing a car it may be a very cool trip to make.

Don't forget The Model A club's Snowbuster Flea Market is Sunday Feb 2 at the Agri-Center on the Erie County Fairgrounds, I know a bunch of LER members get tables to sell their items. Please try to support them by attending.

Till next time....
Tim

ACTIVITIES AWARDS POINTS

For the new members and those who may have forgotten, here is the list of how activity points are awarded on an annual basis. The Board feels this system provides members with recognition for outstanding participation.

Members are responsible for signing in at each event. Members must also notify the Activities Chair (or any board member) when they attend, bring a car or judge at a National meet. The Activity Chairman then tabulates these points throughout the year. Members with 150 points (or more) at the end of the year will receive the Activities Award, presented at the January Installation Banquet, with the first-year recipients receiving a plaque with a small tag or chip designating the year. There will be available space for future tags to be added.

“Hershey--- The Early Years”

By Bob Morris, Sept 2017

Hershey 2017 is fast approaching. As I sit here writing this, it is only two weeks away. My intent is to leave here on Sunday, 1 October so that on Tuesday, weather being good, I can be at Red Field in time for the arrival of Frank Puma and Dan Marinola.

In the forty-five years since my first trip to Hershey, the event has grown beyond belief. In the early 1960s while I was still in the mid-west and a member of the CLC and the Classic Car Club I had heard references about the event at Hershey, PA. I didn't quite understand the excitement it generated among some of the other members. “What's the big deal! I like chocolate bars, but so what?”

After relocating to WNY in 1965 I finally joined the AACA and then I would hear more about Hershey and what a great event it was for those of us who were into cars. It still took me a few years too finally get around to planning and making the trip, the first of many.

When it was final that I was really going to do this the first thing I found out that what other members had warned me about was true. The closet motel that we could get for Thursday, Friday, and Saturday was located in York, PA. So, on Thursday Joyce and I threw our belongings in the Ford Station Wagon and away we went. The weather was a little “damp” (light rain). We arrived at the motel, checked in and turned around, got back in the car and drove up to Hershey. We might have made it to Hershey a little sooner, but my “bride” insisted on stopping at a restaurant so she could get something to eat. You know how testy women can be if you don't feed them two or three times a day.

When we arrived at Hershey, I was able to park in the stadium parking lot and I was looking out the windshield at Blue Field. Remember Blue Field? By now it was somewhere around 1600 hrs and I told Joyce that I wanted to take a “quick look around.” The weather was still somewhat “damp,” but it didn't matter. As I walked through the field, I thought this is unbelievable. It was great.

Friday morning, I couldn't get there fast enough. Joyce decided she would see what all the excitement was about with a antique car flea market. The day was a little

“damp” but we were able to park in the stadium parking lot again. Joyce walked a few rows and then said, “You've got to be kidding! I think I'm going to go sightseeing. Have a good time.” I had filled the gas tank and she had 50 cents so she was all set for the day. I had a great day! I went up & down those rows in Blue Field and I knew I had found my “sand box.” If you were hungry, all you had to do was visit “Strawberry Alley” where some Fraternal organizations had set up food stands. Across the road at the old airport they offered rides in a Stearman bi-plane. I'm pretty sure it was a Stearman. When Joyce picked me up later, she informed me what a great day she had exploring the Hershey area. So, everything was right with the world!

On Saturday morning we had breakfast & headed for the car show. As I recall the show was located in the field where currently the maintenance bldg. stands. There were also more cars in the stadium. After looking at all the cars I went back to the flea market. Joyce took off to do some more sightseeing. (she hadn't spent all of her 50 cents.)

On Sunday morning, we checked out of the motel and went to breakfast. At breakfast Joyce asked me if I was planning on coming back next year. I said, “Yeah! Except I'm going to come down on Wednesday!”
