ON THE COVER

Holding my interest. By Dave Lechner

I had had my eye on this 1931 PA coupe the past ten years. Finally, its third owner and I struck a deal. This local car has always resided in western New York, primarily in storage. It was originally purchased in Buffalo – I live in Clarence, New York, about fifteen miles east of Buffalo.

I also own a 1948 P15 and had many P15s before this one. I'm familiar with the flathead six-cylinder engine, but the uniqueness of the Plymouth flathead four-cylinder engine has held my interest since I first saw this car a decade ago.

Dave's story first appeared in the Plymouth Owners newsletter in 2017

PRESIDENT'S MESSAGE

The weather seems to have flipped a switch once “summer” officially arrived on June 20th, as I have been able to get the cars out more. Those of us living in the 14094 (Lockport) zip code for the past 2 months have been receiving our Sidelights with a \$0.15 cent postage due request on them. I could write a long article on what transpired between the Lockport Post Office and myself but you will just have to ask me. All I will say is that they take the precision of a scale that looked like came from a meat market in the 1940’s over the electronic scale at the front window of the post office? If you do ever receive this notice, please do not pay it and call Lon Wilson as all the Sidelight’s are weighed at the Kenmore Post Office and are exactly 1oz. when they are mailed.

Our July Board Meeting was held on Monday July 1st at the home of Sue Yearke. Three of the Board members couldn’t make it, with one of them John Haid, for good reason as his wife Elaine broke her hip while at the National AACA Meet in New Jersey. Elaine is back in the Buffalo area going through rehab and hope to see her out and about soon! Because of this, we had an abbreviated Treasurer’s report. With the rest of the year’s planning pretty much done the meeting was closed in about 30 minutes.

The Summer Picnic was held on Sunday July 14th. The weather could not have been more perfect. Total sun

and low humidity with about 80 members attending, with most bringing an old car. We might have to revive our “hard luck” trophy this year as Lon Wilson had to have his car towed again, but for the ‘53 Buick this time. I would like to thank Sam & Jean Yanik for opening up their house to host the picnic part of the event and to Jack & Linda Foster for planning the route to the Clarence Historical Society and then a tour to the Yanik’s home. After dessert we had our auction. Members brought their “treasures” to be auctioned off to the highest bidders and all proceeds went to the club. Dennis Upton kept things lively and moving along as there were close to 100 items to sell.

The next function with the club is the August tour and boat ride on the Chautauqua Belle out of Mayville on Lake Chautauqua. I will be unable to attend this but I am sure the Haid’s have a terrific tour planned. Your reservations should have already been in for this and please send in early for the September run hosted by the Upton’s, with information in this issue.

Till next time....

Tim

You should have already signed up for the August boat ride to Chautauqua

Thank you

Elaine received many very nice cards, notes and e-mails from our FRIENDS from LER. Elaine expects to come home from the rehab facility around the end of this month. NOT sure if we will be ready for the boat ride or not. Chuck & Mary are helping us with the registrations, etc., which is greatly appreciated at this time.

From the Board: We all wish Elaine a speedy recovery!

Editor's Note:

I would like to thank the Yaniks & Fosters for planning our picnic and tour route. It was a great day. I would also like to thank our members who assisted in the auction. Because we have not done one in a while, we had a large number of items to bid on. Thanks go to Chuck (megaphone holder and item runner) and Mary Facklam (lot number assigner & item runner); Ed (lot number assigner & auctioneer assistant) and Nancy Group (records keeper); Mike Meszi (auctioneer assistant); Candice O’Connor (Cashier); Darlene Powers (Cashier); and last but NOT least our Auctioneer Extrodinar Dennis Upton. With Dennis’s wit it did not seem like we went through almost 100 lots. (But he just couldn’t seem to sell that monster straw – you had to be there!)

The only “glitch” in the day was when the brakes hung up in our ‘53 Buick. As we found out later, it seems that the power assist unit on the master cylinder was installed wrong! It is amazing that we have gone this long without the brakes hanging up like they did on Sunday. It is the third flatbed treatment in the family in the past month or so. Let’s hope the ‘52 Studebaker finds a new home, while the ‘55 Ford and the ‘53 Buick are good to go for the rest of the season!

On another flatbed note, after four years, the Mustang has left the barn (by way of flatbed, for repairs). So, you may see it back on the road someday soon!

Valerie

ACTIVITIES REPORT

Please remember to sign up early for these events and to treat your club mates with respect and consideration.

Our outdoor season has started. All information from this point on is subject to change.

July 14th, 2019, Sam and Jean Yanik hosted the picnic at their home in Clarence with Jack and Linda Foster who planned our tour. The weather was fabulous and the turnout was great. We took a self-guided tour of the Clarence Historical Museum on Main Street, then a ride through the countryside and back to the Yanik's for an afternoon of great food and great conversation with friends. The auction was a huge success and fun for all the LER members. If anyone is interested in the tailpipe it's still available. Thanks to everyone that brought items for the auction. Proceeds from the auction went to the AACA Lake Erie Region. Thanks to Sam and Jean for hosting, Jack and Linda for planning the tour, they made this event a great time for all that attended. Can't forget to say thanks to the auctioneer Dennis Upton for doing a great job!

August 11th, 2019, Elaine and John Haid have arranged a cruise and meal aboard the Chautauqua Belle. The event has a maximum number of attendees. You should have signed up by now if you wish to attend. Information was in last month's Sidelight.

September 8th, 2019, Dennis & Del Upton will take us on a tour of Grand Island, NY. Don't forget to check your answers from the GI IQ quiz in last month's Sidelight. Please see the last month's Sidelight for EZ Pass/Toll details. More details about this event are on page 4 of this Sidelight.

October 20th, 2019, Don and Joyce Butlak are planning a trip on the Medina Railroad and tour of the Museum. The event will be co-hosted by Valerie and Lon Wilson who will plan the route. After the tour we will be going to Tillman's Historic Village Inn for dinner. We have been told by the Medina Railroad that this tour fills up very quickly. Please sign up early.

And so our in-door season starts.

November 10, 2019, Cliff Schulz will host "Desserts-R-Us" night. Bake it, buy it, bring it! This is your chance to get out Mom's secret recipe. Showcase your favorite cakes, cookies, cupcakes, pastries and pies for the taste test by the AACA members. More details to follow.

December 8, 2019, the annual Christmas party will be hosted again by Lynelle Schloerb and Darlene Powers. The evening will be full of holiday spirit as well as a great meal at the Polish Falcons. More to follow in the upcoming Sidelights. An evening you will not want to miss when getting together for the holiday cheer with old and new friends from the club.

January 25, 2020, the annual Installation Banquet will be hosted by Sue Yearke and Karen Schwartz. The banquet will be held at Classic Five Banquet Hall in Amherst, NY. More details to follow.

We need volunteers, helpers and ideas for club sponsored events. If you are interested in sponsoring, co-sponsoring or helping out at an event, contact any board member

Chuck Weimer – Activities Co Chairman

Tim Cryan was on the website for the AACA National Meet in Parsippany, New Jersey held on June 29th and found that John & Elaine Haid won an HPOF badge for their 1987 Chevrolet Caprice and Gerald Aquilina won a Senior for his 1993 Cadillac Allante. Congratulations to both!
