PRESIDENT'S MESSAGE

I hope you have been able to get your old cars out; the past month has had some very good weather to do that. I have seen a bunch of members out at nightly cruise nights and the Sunday car shows. In early August, I was able to attend to the Concourse D'Elegance of America in Detroit where my brother showed his 1933 Willy's Gasser, nostalgic racecar. He was one of 320 cars invited to attend, it was very nice to have a car show on the fairways and greens of a private golf course, plus the quality of cars and the diversity of them was incredible. Club member Dan Gernatt is showing his 1930 Bentley at the Pebble Beach Concourse D'Elegance in California on August 18th, which is the top-rated car show in the world! Congrats to Dan to be invited.

Our August Board Meeting was hosted by Lon Wilson at the Family Tree restaurant on August 5th. We were glad to see John Haid, he said he wanted to thank everyone who sent a card to his wife Elaine recuperating after her fall last month. We think we have the mailing situation at the Lockport post office corrected now. We also discussed if any of the four Board members would be leaving the Board at the end of the year. Linda Foster, Dennis Powers and Chuck Weimer all said that they would stay on for another three-year term. Chuck Facklam would like to take some time off from the Board but continue being the Annual Car Show Co-Chairman. So, it looks like we need at least one member to volunteer to be a Board member. Please give it some thought and let any Board member know that you are interested. Ask any Board member especially the newer ones for their thoughts on being a Board member. In addition, club member Jerry Ptak joined us for our monthly meeting as our new club webmaster. He is taking over from long time webmaster Barb Noonan who has been our webmaster since the beginning. As the program Barb was using kind of crashed, Jerry has had to get up and running faster than he thought with the new program that National AACA wants to start using, so the website address will be changing and the link from National's website might still be going to our "old" site. Please be patient as this transition occurs.

Chuck and Mary Beth Facklam stepped up to take over the running of the August tour from John & Elaine

Haid. I was unable to attend, but from what I have heard, it was a great day for a boat ride. Next up is the September Tour of Grand Island hosted by the Upton's. This should be a very interesting tour, please try to attend. Our final outdoor function of the year is a train ride out of Medina. You will notice the sign-up sheet in this edition of the Sidelight. Being in the fall foliage time and for us to be able to get a train car all to ourselves, we need to get the reservations in a month in advance. I believe there are 56 seats available in one car so the first 56 members who sign up will be in that car, any more after that will be in another car with the other "regular" passengers who arrive that day to take the tour. We will then tour to Tillman's Restaurant for a buffet.

Till next time...

Tim

Jeff Cryan's 1933 Willy's AA Gasser was invited to be shown at the Concourse D'Elegance of America held August 3 just outside of Detroit. This car was built in the 1960's and raced extensively in California winning many events and making many magazine articles. Jeff purchased the car a bunch of years ago and brought it to the East Coast and is actively raced in many "nostalgic" drag races throughout the East currently. 320 cars were invited to attend and another member who was invited was Bob Barrett and his wife Jill who drove their 1913 Rolls Royce all the way from Angola! I also included a picture of a row of V-16 Cadillac's. After Pebble Beach and Amelia Island Concourses, this is considered the next best show. If you ever get the chance to go it is really cool to see all the cars on the golf course. Tim Cryan

ACTIVITIES REPORT

Please remember to sign up early for these events and to treat your club mates with respect and consideration.

Our outdoor season only has two events remaining. All information from this point on is subject to change.

August 11th, 2019, Elaine and John Haid had made all the arrangements for the Chautauqua Belle Steamboat Excursion, Chuck and Mary Beth Facklam stepped in and took over the day of the event. Thank you, Chuck and Mary Beth. I was not able to attend the event, but I'm sure everyone enjoyed the boat ride.

September 8th, 2019, we will take a tour of Grand Island, NY. The event is being hosted by Dennis & Del Upton, and they have an exciting day planned, so sign up today! Please see the Sidelight sign-up sheet for complete details about this event.

October 20th, 2019, Don and Joyce Butlak are planning a trip on the Medina Railroad and tour of the Museum. The event will be co-hosted by Valerie and Lon Wilson who will plan the route. After the tour we will be going to Tillman's Historic Village Inn for dinner. We have been told by the Medina Railroad that this tour fills up very quickly. **Please sign up by Sept 18.**

And so our in-door season starts.

November 10, 2019, Cliff Schulz will host "Desserts-R-Us" night. Cliff's update is that it's going to be SWEET! Bake it, buy it, bring it! This is your chance to get out Mom's secret recipe. Showcase your favorite cakes, cookies, cupcakes, pastries and pies for the taste test by the AACA members. More details in this Sidelight.

December 8, 2019, the annual Christmas party will be hosted again by Lynelle Schloerb and Darlene Powers. The evening will be full of holiday spirit as well as a great meal at the Polish Falcons. More to follow in the upcoming Sidelights. An evening you will not want to miss when getting together for the holiday cheer with old and new friends from the club.

January 25, 2020, the annual Installation Banquet will be hosted by Sue Yearke and Karen Schwartz. The banquet will be held at Classic Five Banquet Hall in Amherst, NY. More details to follow.

We need volunteers, helpers and ideas for club sponsored events. If you are interested in sponsoring, co-sponsoring or helping out at an event, contact any board member.

LER lost a long-time member with the passing of Frank Papa on July 30th. He was a sponsor of our annual show for many years and attended many events in his red 1955 Cadillac convertible with the license plate "BIG REDD".

Frank was chairman of National Fire Adjustment Co. He also supported many charities in the Buffalo area. We extend our sympathies to his wife, Theresa, and his family.

Grand Island

Join us for a car tour around the biggest island in this part of the country. (Where else can you get a 27-mile drive along the Niagara River!) We will meet at 9:30 (with a 10:00 departure) at the Frank Lloyd Wright inspired WNY Welcome Center to start our tour. Make certain you go inside to see this beautiful structure and what it offers.

We will split into two groups for touring and parking purposes. We will view many of the secrets of Grand Island and stop 3 times: Grand Island Historical Society, SCAP (Sound Choice Audio and Performance – car restoration and custom work) and Kelly’s Country Store before getting to our luncheon destination.

We will have a tasty buffet consisting of: salad, rolls, antipasto, roast beef, balsamic chicken, pasta with roasted vegetables, potatoes, green beans, coffee or tea. There will be a cash bar for other beverages. (If you have special dietary needs, give us a call: 773-5847 by Sept 1.)

ALL ABOARD!

Sunday, October 20, 2019

Meet at Transitown Plaza, Main & Transit at the Main St. entrance
at 8:00am and leave at 8:30 sharp

LER will then tour to Medina to enjoy an old time, round trip train ride through Western New York with the Medina Railroad Museum. Our two-hour excursion will take us past wooded scenery and along the Erie Canal, hopefully enjoying the colors of Autumn. Time will also be allotted to tour the museum before we board the train. Our early arrival at the museum will also allow us to use the paved parking lot across the street for our antique cars.

This is a very popular train ride at this time of year, so we have to sign up early to make sure we get the discounted price for our club. Reservations for the train **MUST** be made by September 18. After that date, any unassigned seats will be available to the public. We have a full train car reserved for our club. Should we go over the capacity of the one car, later registrations will be in a second train car.

****NOTE: Because of the Museum's early head count, this will be the only time this registration form will appear in the newsletter.**

After the train ride we will again have some time to tour the Medina RR Museum & gift shop before we travel a short distance to Tillman's Historic Village Inn for a buffet dinner. There is a large parking lot in rear of restaurant. Fairhaven Gift Shop is next to the restaurant parking lot.
