Cliff's Notes: I'm putting the brakes on our summer everyone. It's going by pretty fast, and I don't want it to end. The Erie County Fair is nearly over and that means time is getting short. Then you have the Buffalo Bills starting to play preseason games already. I say enough of that nonsense, we have more cruising to do. We still have two driving events left to enjoy and I hope many members can attend.

Many thanks go out to Dan O'Connor and the Model A Club for hosting a very enjoyable day at Batavia Downs. The large buffet line had more choices to eat than any one person can consume. Although some may have tried. Many members played the horses with some success. But I heard one person in our group hit a big

JACKPOT on the slot machines. CONGRATS! It was indeed a great day and fun for all.

NOW, I need to talk about some business. The Lake Erie Region Board of Directors needs your help and ideas. Our board consists of 12 members each who perform a variety of tasks. *We meet once a month and help take event ideas and make them work. We all work together well and need two or three new helping hands. Please join us, share your talents and help our club grow.* The terms are three years and staggered so four members rotate off each year. Luckily some members stay on for back-to-back terms and I applaud their dedication. My phone number is listed in the SIDELIGHT and I welcome your questions and support.

Cliff

**Macaroni and Cheese**

- |                             |                      |
|-----------------------------|----------------------|
| 1 cup elbow noodles (4 ozs) | 1 1/4 cup milk       |
| 1/4 cup chopped onion       | 2 cups shredded      |
| 1 Tbsp butter               | American cheese      |
| Dash of pepper              | 1 med. tomato, diced |

1. Cook macaroni according to package directions. Drain well.
2. Meanwhile, for cheese sauce, in a saucepan cook onion in butter until tender but not brown. Stir in flour and pepper. Add milk all at once. Cook and stir till slightly thickened and bubbly. Add shredded cheese; stir until melted.

3. Stir macaroni into cheese sauce. Transfer to a 1- quart casserole dish. Bake uncovered in a 350 degrees oven for 25-30 minutes or till bubbly. During the last 5 minutes of baking, add the tomatoes. Let stand 10 minutes. Enjoy

**Where's the Beans?** A sharp-eyed reader noticed that in last month's recipe an ingredient was missing. It must have been omitted when the recipe was reformatted to fit the space (you know how they do that to movies when they show them on TV?) Kudos to those who already know what it is and for those who may use this recipe during the cooler months – add 1/2 c. green beans, fresh. The Editor

### FIDDLEFEST 2022

Saturday July 30<sup>th</sup> the MARC and AACA cruised to the 10<sup>th</sup> annual Springville Country and Bluegrass Festival in Springville. This was the 5<sup>th</sup> year the Concord Historical Society has added a Car Show to the many other activities and the 2<sup>nd</sup> straight year that M.A.R.C has participated as a group. They were joined by some members of the Genesee Valley MARC from the Rochester area, the Lakeshore Model A Club, Niagara Frontier Region MARC, the Lake Erie Region AACA, and the Buffalo British Car Club. It was a beautiful day with 98 vintage and collectable cars on display for the enjoyment of over 1500 Festival goers. There were 15 Model A Fords as well as a few Model T's, and a few vintage cars such as a 1930 Bentley, '26 Rolls Royce, '22 Cadillac and a 1932 Buick.

A special thanks to John Haid, AACA LER and Dan O'Connor, MARC LER who organized the cruise that started at Southgate Plaza and cruised the scenic Rt 240 thru Orchard Park, Colden and on to Springville.

Car Show co-chairmen Jeff Mahl and Joel Maul want to remind everyone that the FiddleFest Car Show for 2023 will again be on the last Saturday of July, and something special is in the works for July 29, 2023. The original NY to Paris 1907 Thomas Flyer is coming to Buffalo next summer as well as many of the remaining Thomas' automobiles. Plans are being made now to have some of these at the Springville FiddleFest Car Show in 2023.
