*This is a tentative schedule. The dates & locations are subject to change, so check this list monthly for more information and possible changes.

All material and want ads must be submitted to the editor by the 20th of the previous month that material is to appear.

ON THE COVER: When I selected last month’s photo for the cover, I didn’t realize how prophetic it would be. As we sit here waiting for the snow plows to make an appearance on our street and clear out the huge amount of the white stuff, I am glad we did not lose power. We had enough food, so it was not a problem for us to just sit back and watch the flurries. At least the phone worked, so Lon was glad to spend the time calling on friends, checking to see how high their snow piles were. The hardest part was getting a door open, with all the snow drifts, so our dog could go outside. At one point we let out a black dog and a white one came in! By the way. Polar bears have black skin, and actually, their fur isn’t white. It’s see-through, so it appears white as it reflects light.

Attendance Report: Members and guests who spread a little holiday cheer were: Gordy & Debbie Allan (60); Marie Boron (10); Dean & Pat Burgstahler (95); Don & Joyce Butlak (*); George & Ruth Camann (*); Joe & Margaret Dallos; Chuck & Mary Beth Facklam (*); Jack & Linda Foster (*); Chuck & Chris Gugino (40); John & Elaine Haid (*); Jeff & Cindy Jondel (30); Ken Knoll (*); Robert Mandziak (40); Ross & Gail Martin (75); Andrew & Tomoko Menard (10); Mike Mesi (*); Paul & Dolores Meyer (55) & Crista Scheiten; Joe & Mary Momot (30); Bill & Candy Mutignani (30); Bob & Peggy Nash (115); David Nash (55); George Nash (30); Ray & Barb Noonan (*); Daniel O'Connor & Candace Reed (*); Mark & Ann Palmer (115); Jerry & Peggy Ptak (130); Patricia Ryan (10); Don & Lynelle Schloerb (*); Cliff Schulz (*); Karl Schurkus & Eileen Wode (65); Jeffery & Karen Schwartz (*); Bob & Chris Snyder (80); John & Darla Sole (20); Terry Tredo (110) & Dan Tredo; Rene Tucciarone (10); Dennis & Del Upton (110); Steve & Kathy Vaccaro (85); Chuck Weimer (*); Ken Weinstein (10); Cheryl Westmorland (20); Lon & Valerie Wilson (*); and Mark & Sue Yearke (*)

PRESIDENT'S MESSAGE

Cliff's Notes: By the time you read this the 2022 holidays will be a memory. However, as I send my thoughts and wishes to everyone, they come from the heart and are everlasting.

"I wish you and your families a Merry Christmas"

"I wish you a healthy, safe and prosperous New Year"

Our Lake Erie Region Christmas party was a huge success this year. Tasty food, festive decorations, cookies and more set the stage for a fun day. Thanks to Lynelle and Barb for organizing a stellar event. Dennis Upton entertained the party with a Christmas themed version of the Family Feud game live. Many generous donations were collected for the Cornerstone Manor.

Oh yah, and the Buffalo Bills won! GO BILLS!
The New Year is fast approaching, and we will be ready with another great year of scheduled events. Make sure to get your reservations in early so you don't get left out.

Lon Wilson wants me to remind everyone that the 2023 DUES are DUE. Please send them in ASAP. Pay for two years if you can and don't forget to send your national dues in also.

Well, that's all for now, better put another log on the fire. Old man winter started on the 21th of December and it's getting cold. Brr brr...

Cliff

In Memoriam

Sadly, we lost four long time members of Lake Erie Region this past month. They are:

Herman Kuebler: Herm was a long-time accountant at General Mills in Buffalo and at his eulogy his daughter said they ate a lot of Cheerios as kids. After retirement he became a docent at the Buffalo Zoo for many years and really loved the animals. He and his wife Janet owned a 1949 Hudson.

Bob Manke: Bob was very active in our club and loved his collections of Plymouth cars. He served in the Seabees in Antarctica. He was proud to have a mountain named after him--Mount Manke! You may remember that Bob and his late wife Barb, hosted a picnic at their home in 2017. He had 2 beautiful garages to display his car collection and even had an antique sleigh! Recently Bob put together a slide show of his time in the Seabees and enjoyed showing it to our club and to many church and senior citizen groups.

Paul Meyer: Paul was a Superintendent at Ferguson Electric Company for many years and last year donated his 1933 V-12 Lincoln to the Pierce-Arrow Museum in Buffalo. He and his wife Dolores recently moved into Amberleigh retirement home in Amherst. They attended the LER Christmas party in December.

George Nash: George was our senior member at 104 years young! He was a past President, served on the board, judged at our car shows and at National AACA shows for many years. Even though his name was Nash, George had a long career in engineering at the Chevrolet plant in Buffalo. He often said he was retired longer than he worked! Among his collection of Chevrolets, George owned a Nash tow truck! He and his late wife Mary were married for 70 years.

IMPORTANT RENEWAL NOTICE Local & National dues were due by December 31, 2022. Please check the year in the lower left corner of your mailing label. If reads 2022 your dues have expired and this will be your last issue. Please return your check with the form that was enclosed in the November Sidelight. You can pay National dues by credit card at 1-(717)-534-1910. You can bring local dues the Banquet & give to me. If you have any questions, please call at 716-873-6280 Lon Wilson – Membership Chairman.

Chef Yearke shares another favorite treat.

Walnut horn cookies

- 1 c. plus tsp. butter, softened and divided
- 1 pkg (8oz) cream cheese, softened
- 3 c. flour
- 4 cups ground walnuts
- 1 1/4 c. sugar, divided
- 1/2 c. milk
- 1 tsp. vanilla
- 1/8 tsp salt

In a large bowl, beat 1 c. butter and the cream cheese until light and fluffy. Gradually add flour, beating until the mixture forms a ball. Divide dough into four portions; roll each into a 12" circle.

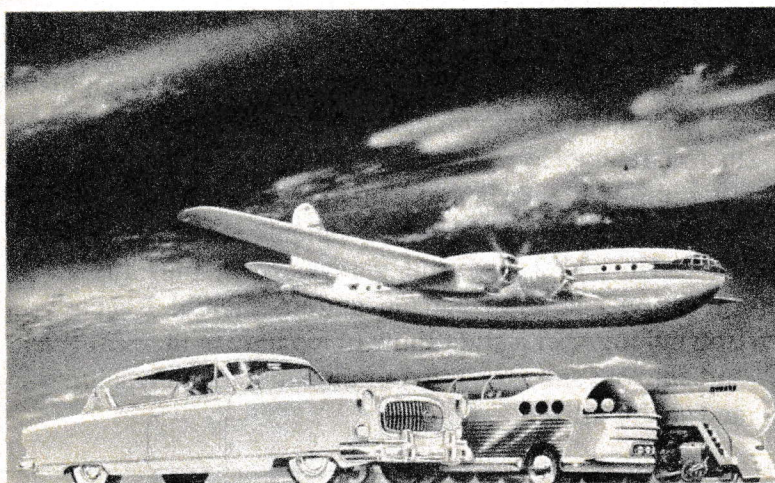

Melt the remaining butter. In a large bowl, combine the walnuts, 3/4 c. sugar, milk, vanilla, salt and melted butter. Spread over circles. Cut each into 12 wedges. Roll up wedges, starting from the wide ends.

Place point side down on greased baking sheets. Curve ends to form crescents. Bake at 325 degrees for 35-40 minutes or until lightly browned. Remove to wire rack.

Place remaining sugar in a small shallow bowl. Roll warm cookies in the sugar.

Do You Know?

Why *Nash* cars are built like modern trains, buses and airliners . . .

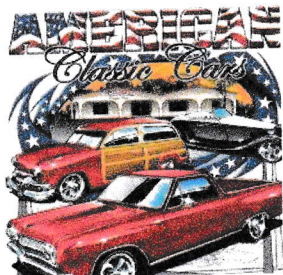

LIKE TODAY'S AIRLINERS, the modern bus, and streamlined train, Nash cars are built with body and frame as one integral unit! Frame, floor, roof, girders and even the steel panels of the body itself are a single welded structure, each part adding strength and rigidity to every other part. Engineers call this "stressed skin" construction. Nash calls it "Airflyte Construction", and has built almost a million cars utilizing this advanced design principle.

Here's why Nash uses Airflyte Construction: engineering tests prove that Airflyte Construction has more than twice the torsional rigidity (or resistance to twisting) of ordinary separate body-and-frame construction—and provides far greater safety to passengers by literally surrounding them with a

protective steel cradle. Airflyte Construction eliminates almost two-thirds of the frame weight—resulting in greater performance and fuel economy. Airflyte Construction absorbs road shocks within the body structure, and eliminates body-bolt rattles—to give new concepts of quietness and comfort.

You can't appreciate the difference that Airflyte Construction makes until you drive a Nash. Your nearby Nash dealer invites you to see the beautiful new Nash Airflyte for 1953 and "road-test" this most modern of motorcars yourself.

ACTIVITIES AWARDS POINTS

Once again, it is time to start accumulating activity points as we go through the year. Points are awarded for attendance, driving an antique during the summer months, chairing an event, etc. Everyone has a chance to earn points throughout the year.

For the new members and those who may have forgotten, here is the list of how activity points are awarded on an annual basis. The Board feels this system provides members with recognition for outstanding participation.

Members are responsible for signing in at each event. Members must also notify the Activities Chair (or any board member) when they attend, bring a car or judge at a National meet. The Activity Chairman then tabulates these points throughout the year. Members with required

number of 150 points at the end of the year will receive the Activities Award, presented at the January Installation Banquet, with the first-year recipients receiving a plaque with a small tag or chip designating the year. There will be available space for future tags to be added. The three highest achievers will receive a special gift. Good luck to everyone.

*** Per membership: ** Article must be written by person submitting the article. *** Submissions for reprint must be non-copyrighted items such as a recipe or article where permission is granted for reprint. Copyright laws apply to all non-original material. Points not awarded for required monthly columns.**

Winners of the Activities Award for 2022 who obtained the required number of points and will receive a

chip at the Installation Banquet for their board are, in alphabetical order: Don & Joyce Butlak, George & Ruth Camann, Tim Cryan, Chuck & Mary Beth Facklam, Jack & Linda Foster, John & Elaine Haid, Ken & Carol Knoll, Mike Mesi, Ray & Barb Noonan, Daniel O'Connor & Candace Reed, Don & Lynelle Schloerb, Jeffery & Karen Schwartz, Cliff Schulz, Chuck Weimer, Lon & Valerie Wilson, Sam & Jean Yanik, and Mark & Sue Yearke.. Congratulations to all!

Peggy Ptak – Activities Awards Chairman.

VINTAGE AD OF THE WEEK

By Brendan Dooley

"Vintage Ad of the Week," sponsored by Ragtops Motorcars, uses previously published automobile advertisements from vintage magazines for the entertainment of our readers.

Another in a long line of unique, attractive ads from Volkswagen (and not once does it mention Touareg).

In this advertisement from the August, 1962, *Road & Track*, Volkswagen of America, Inc., touts the Beetle's expert finish, inside and out.

"This is our idea of a grand opening.

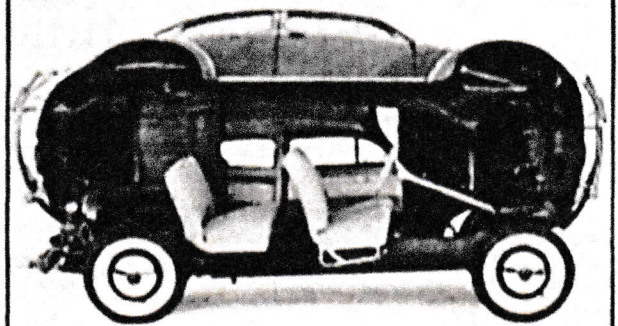

"We took a Volkswagen apart so that you can see for yourself what the inside looks like.

"You won't find one dribble on the paint or one nick on the chrome. Not one wrinkle, not one missed stitch.

"We've got a bevy of seamstresses to make sure nothing zags when it should zig."

The ad credits the smoothness of interior and exterior paint to an "old family recipe" of patience and "a lot of paint."

The calm, smooth ad ends with, "We don't count on the paint to hold the VW together. But it keeps it from falling apart."

The inside is finished like the outside.
