PRESIDENT'S MESSAGE

Cliff's Notes: I think I'm having a good week and I hope you are doing the same. This week we celebrated St. Patrick's Day with the traditional corned beef and cabbage dinner. (Green Beer?) Next, the first week of Spring 2023 is here and the temperatures are predicted to be much milder. Start getting those car batteries charged up, it won't be long now.

The March meeting was nicely attended, and speaker Gregory Kinal gave a presentation on Artifacts in the American History Smithsonian. I love going to museums and he displayed many pieces through his slide show. Chuck Weimer arranged the topic and Lynell topped it off with a tasty snack/desert buffet. Come on out to next month's 2022 year in review presentation.

Followed up in May with our annual RUSTBUSTER TOUR. Please get your reservations in early.

Do you know what it takes to make our June 2023, the BEST Judged Show of summer? Volunteers! Yes, we need help with setup, registration, parking, judging, raffle & 50/50 ticket selling and clean up. Please see any board member at the next couple of meetings to sign up. No experience necessary, no pay, free training and lots of FUN! Come on friends, let's show this town a GREAT SHOW! Show flyers are available at all meetings and in the Sidelight.

Many more events are planned with details yet to be announced.
Bye for now...

Cliff

What the New York legislature did on a couple of bills that pertain to the collector, antique car groups

Several SAN (Sema Action Network) supported bills died as the New York legislature adjourned its 2021-2022 legislative session. These include,

- Legislation (A.6931) would have created a one-time registration fee for historical vehicle owners.
- Legislation (A.4008) would have allowed the display of only a single, rear mounted license plate for a \$50.00 fee.

- Legislation (A.4202) would have reduced safety inspections from annual to biennial for antique, classic and collector vehicles.
- Legislation (A.8866) would have exempted historical and antique vehicles that are at least 50 years old from the state's annual safety inspection program.

Thanks to everyone who supported and voiced their support for these bills. Let's hope that New York State realizes the importance of these bills to the collector car community.

Ken Kaczka – Legislative Chairman

Sue's Helpful Hint: A Juicy Secret: If using fresh lemon or lime juice in a recipe, more juice is released from these fruits when they are microwaved on high for 25 to 30 seconds before being sliced or squeezed.
