PRESIDENT'S MESSAGE

Cliff's Notes: Fall Greetings. Day light saving time is over in about three weeks. Leaves are falling and showing off a lot of color this month. Temperatures are falling and furnaces will be starting soon. Bad news or good news? It is what we make it. I'm looking forward to Halloween next followed by Thanksgiving and Christmas. There is great POWER in positive thinking.

Many thanks go out to Dan O'Connor, Candice Reed, John and Elaine Haid for leading our October Club Tour. A quick destination change took us to Wendel's Poultry Farm in East Concord, NY. Fall treats included pumpkins, apples, cider, doughnuts, popcorn, homemade

quilts, hayrides and more. We didn't know that they grill barbecue chicken there during the summer and process maple syrup in March. Perhaps another outing in the making? Hint Hint! Dinner at the Colden Mill Restaurant was very delicious and enjoyed by all.

Shine up your small-scale model cars for next month's indoor Coffee & Cars Event. A visual and tasty experience for the senses. Coffee and apple cider will be provided. Tach it up, tach it up, buddy gonna shut you down. Oh sorry, there will be no racing allowed for this event.

See you soon Cliff.

Sympathies

To Candace Reed on the recent loss of her sister.

Mark your calendars for November 30th, as our very own LER member, Joe Momot, will be playing the Mighty Wurlitzer Organ at the Riviera Theater at 7:00pm. This is a FREE concert and if you have never heard him play, you are in for a real treat! Now is your chance to get into the holiday spirit! "The Riv" is at 67 Webster St, North Tonawanda

Photo on the cover was taken on our trip to Alaska. Can you identify the make of the car? Look elsewhere in this issue for pictures of the other cars we saw at the Potlatch Totem Pole Park, Ketchikan, Alaska. I had to drag Lon away from the cars to see the rest of totem pole park!! The Editor

The Cars of Ketchikan Potlatch Totem Pole Park – Photos by Lon Wilson

On our recent trip to Alaska, we came across some nicely restored antique cars at the Potlatch Totem Pole Park. Even the pillars in this building were totem poles! More cars were on display in the gift shop.

You can see why I had a hard time getting Lon to look at the totem poles. Valerie Wilson

October "Fall Foliage Run" Tour – Recap

By Dan O'Connor

Forecasted weeks in advance by John and Elaine Haid promising a beautiful warm and sunny Indian summer day for our "Fall Run", their weather forecast was spot-on for that entire weekend!

Seventy-two members from LER AACA and the Model A Restorers Club had pre-registered to take part in the final outdoor seasonal event of 2023. (43 and 29 members respectively)

The early morning drive to the Southgate Plaza meeting location was a slow go for some of us as heavy fog covered parts of WNY. The vacuum windshield wiper motor on my 1930 Ford Model A Coupe got a good workout clearing water droplets that formed on the windshield as we drove during the early morning hour. But, by mid-morning departing from Southgate as a group, led by John and Elaine, the fog was well on its way to being burned off revealing that perfect Indian summer day that was promised!

The original tour destination was to Valley View Farms located in Machias for an opportunity to purchase seasonal fresh farm grown items while driving along Southern Tier roads enjoying the changing colors of the season. Then, followed by a drive back to Colden for lunch at the Colden Mill Restaurant.

Two weeks prior to our tour date, John, Elaine, Candace and I visited Valley View farms only to be disappointed with their farm production. We knew we needed to make a change quickly.

Wendel's Poultry Farm in East Concord was a logical choice as Wendel's is located on NY-240 just as

Valley View Farms and offered the same farm grown items plus more! Wendel's had an abundance of seasonal farm grown produce to choose from including apples, bake goods, vegetables, apple cider, candy, pumpkins, squash, gourds, and cornstalks. For that weekend only, Wendel's displayed a huge selection of beautiful quilts for sale in their recently built Sugar House.

When we arrived, Marty Wendel, owner of Wendel's Poultry Farm had arranged for his workers to stand-by to direct our classic cars to a designated area away from the general parking area. For approximately one- and one-half hours, our group entertained themselves by visiting the different shops, searching for the ideal pumpkin from the hundreds piled in the pumpkin patch, riding the tractor pulled hayride, and having a glass of ice cold freshly made apple cider. The sunny warm day was ideal for these activities and added to the enjoyment.

Our day concluded with the planned lunch at the Colden Mill Restaurant. Typically closed on Sundays, Colden Mill owners Chuck and Matt opened their restaurant to our group, making the tour much more special as Colden is in a beautiful part of the Southern Tier. Matt, who is also the Chef, provided us with the freshest, most delicious buffet style lunch that was of the highest quality.

As planned for by our tour route planners John and Elaine Haid, there were no traffic issues during the tour caused by road construction, or by the Buffalo Bills home game being played at Orchard Park Stadium. But what really topped off the day was the Buffalo Bills beating the Miami Dolphins 48 to 20!
