PRESIDENT'S MESSAGE

Cliff's Notes: Hello Hello! Spring 2022 has sprung alright, but winter hasn't gone away yet. Warming weekdays and cold/wet weekends are not what we are looking for. Hopefully, this weather trend will do a flip soon in our favor. We start our outdoor driving season soon, so it's time to back the cars out of the garage and shine them up. Will there be any surprise reveals or events this summer? I hope so! Vroom Vroom!

We had a fun meeting at the Polish Falcons last month. Thanks go out to Dean Burgstahler for bringing in guest speaker Jerry Gallagher.

Jerry is a member of the Adirondack 46ers Mountain climbing club. In order to join this club, you must climb all 46 Adirondack mountains that are over 4,000 feet tall. Some trails are easy, and some are more rugged. Jerry showed an info documentary video and then answered questions from the floor. Mountain climbing certainly puts a little more adventure into a hike in the woods. Jerry did say there were no Cliff's up in

those mountains. I'm willing to change that if anyone wants to join me.

And the BIG WINNER IS (Trumpets please): DON SCHLOERB (Lynelle's husband) WON THE JELLY BEAN CONTEST FUNd Raiser.

With just one guess, he was the closest to the number 597. We had guesses starting in the 100's and up into the 3,000's. Don won the antique crystal candy jar, lots of jellybeans, Easter chocolate and a stack of lotto tickets. Thanks to all the club contestants and we raised \$ 135.00!

Cruise nites will be starting up soon. I hope to see everyone around and about this summer. Our June 12th, 2022, AACA Car Show is going to be HUGE! Tell all of your friends to come out and join the fun. How about a hot dog, fries, ice cream soda and rock & roll music? Sounds like some good fun to me! Vroom Vroom

Cliff

Greetings to all Lake Erie Region Members

As you know, our big fundraiser for the year is our annual car show that is coming up on June 12th. We're hoping for a bright sunny day and encourage all of you to get your beautiful cars out of the garages and barns and bring them to our show. There is nothing better than a meadow full of vintage automobiles for us all to enjoy. One of the components that make our show a success is volunteers, especially those who help with registration, parking, traffic direction and judging. Ray and I would like to encourage any and all of you who might have an interest in judging to sign up. If you are interested but a little reluctant because you don't know

the judging process, we will provide guidance. If you are concerned that you don't know everything about every car, rest assured that there are very few people, if any, who do. We can always assign you to judge a class that you are familiar with, and keep in mind that there are other judges around who can help you. So give this some consideration, and give us a call. We would love to hear from you. Help us to continue to be called the Best Judged Show in WNY.

In October last year, Peg & I went to Branson, Missouri with a couple from California. While there and going to some great shows, I found the Farm and Car Museum. It is right on the main street. After breakfast one morning I gathered the 4 of us up and we visited the Museum. It was very interesting, full of old tractors, farm equipment and both vintage and modified cars. The most interesting part was that about half of the cars and tractors were for sale. When we entered the building, they were just pulling a GTO out that had been sold and was being loaded up for delivery to the new owner. Most of the prices were high, but the museum manager said they would entertain offers and after talking to the owners get back to you. I did see some really nice cars, but Peg said I couldn't have any more. Very interesting place.
