PRESIDENT'S MESSAGE

Cliff's Notes: Season's Greetings everyone...

Yes, Christmas and New Years are near and how fast has this year gone by. My wishes to everyone are for a safe and healthy 2024.

There's a long list of Thank You's for the 2023 LER Christmas Party. Candace and Mary Theresa set up a festive table of Holiday chance for members. Lynelle and Barb organized a delicious Christmas Dinner followed by a Price is Right Game. Generous members donated a ton of clothes and necessities for the Cornerstone Manor. Thanks for everyone's support for this event and all throughout 2023.

As you may have already heard, I will be stepping away from the LER board for 2024. Thanks for everyone's support and attendance at all the indoor and outdoor events. I'm sure you've heard about my "Phantom Jaguar". Well, it is real, and I need the extra time to finally get it to the AACA National Shows. Then the Chevelle SS wants to follow the

same route. I plan on attending most LER events and update my progress in a special edition Cliff's Notes. Love you all and wish me luck and God's blessings. Fresh News, my NEW 2024 Jaguar F-Type just got delivered in time for Christmas. I'm going to have a hard time finding a Christmas tree big enough to park it under. I will be leaving a lot of cookies for Santa this year. There's a batch of chocolate chip cookies in the oven right now. Thanks' Santa

Merry Christmas & Happy New Year.

Activity Awards Points

Happy New Year! We would love to have many more of our members reach the 150 points to win an award. You can begin earning points starting in January and earn throughout the year. It really is quite easy ~ you just need to be involved, attending meetings, bring your antique car to summer events, you can even go to a National Car Show. There is no need for you to keep track of your points ~ that's my job! Once you have 150 points, you will receive a chip designating the year you won this award at the upcoming Installation Banquet. First time winners will receive a plaque and a chip with the year on it. There is a lot of space on the plaque for future chips. The three

highest achievers (yes you can earn more than 150 Points) will receive a special gift.

The Board has reviewed and changed some of the point values for events, so please read carefully. The Board feels this system offers every member an opportunity to be recognized for outstanding participation.

The following list has the events/activities and the points they will accrue. Please make sure you sign in at every meeting. If you have questions or think I have missed you, please let me know. Thank You.
