

Hello LER members, I hope everyone is doing well. Good news, we are another month closer to spring! I'm sure everyone's had enough of the snow and can't wait for winter to be over. The Pinewood Derby was a real thriller, the races were very close, especially the adult class. Cliff Schulz and myself were neck in neck for first place in the adult class, Team Buick nudged out Team Jaguar by a very small margin to take first. Congratulations to all the winners and to everyone that entered a car. Huge thanks to George Camann for organizing this event, he puts in a lot of time to host this. Thanks George! The Board continues to focus on our monthly club events, especially the car show and we are also discussing some ideas on how we can advertise the club and gain membership. Ken Kaczka and Sue Reville recently attended the Annual National Awards Banquet. Ken was nominated for a National Award back in December, he won and received the 2025 Corvette Award for his 1962 Chevrolet Corvette. Congratulations Ken! Valerie Wilson is the recipient of the 2025 Award of Excellence for regional publications of The Sidelight-Lake Erie Region and in recognition of her efforts as Region President and Editor. Congratulations Valerie! At the next two indoor club events we will be passing around the signup sheets to volunteer to help out with the June 2026 car show, please consider signing up, we need all the help we can get. If you're not able to attend any of the meetings and would like to sign up, please contact the Car Show Chairman listed in the Sidelight. Upcoming National events 2026 AACA Special Nationals March 19th thru 21st in Puerto Rico, then the Winter Nationals March 26th thru 28th in Cartersville, Georgia.

Thanks for being a member!

Chuck Weimer, LER President
