

Hello LER members. Just as we had a taste of a few nice days in March, then old man winter returns. It's par for the course. Think spring, it's on the way. We teamed up once again this year to secure the Clarence Pavilion for the summer picnic. Cliff Schulz arrived a little after 3am and was tenth in line on sign up day at Clarence Town Hall, then Mike Mesi relieved him at 5:30am, followed by myself at 7am, we were able to get the date and preferred pavilion we wanted. Thanks to Cliff and Mike for rolling out of bed in the wee hours of the morning. Our March event was hosted by Chuck Facklam, his presentation was about The Real History of the Buffalo Built Vehicles. He provided a lot of interesting and educational information, many thanks to Chuck Facklam. Don't miss out on our next indoor event at the Polish Falcons, it's the annual year in review, see the activities report for details. Also, at the next indoor club event we will have the signup sheets to volunteer to help out with the June 2026 car show, please consider signing up, we need all the help we can get. If you're not able to attend and would like to sign up, please contact the Car Show Chairman listed in the Sidelight. Upcoming National events 2026 AACA, April 9th thru 11th Southeastern Spring Nationals Charlotte, NC, then April 23rd thru 25th Annual Grand Nationals/Western Spring Nats Las Vegas.

Thanks for being a member!

Chuck Weimer, LER President
