

Hello LER members. WOW, what a way to start our outdoor season, the RustBuster was amazing, member signup exceeded expectations, that car collection was something else and how about that pedal car collection, very impressive. Then the banquet, the LER members enjoyed great food and excellent service at Danny's South. Up next is our annual car show, we are hoping for good weather. Please pre-register your car if you haven't already and sign up or just show up to help out the day of the show. Please contact the Car Show Chairman listed in the Sidelight for any questions. George and Ruth Camann recently made the trip to the AACA Annual Grand Nationals/Western Spring Nats Las Vegas, Nevada. While there they completed the judging school and spectated at the show. Now just a friendly reminder, members of the AACA Lake Erie Region have a responsibility to be in good standing with the club. With that said, please treat your clubmates with respect, we all have an obligation to do so at club events and also a moral obligation outside club events. I wouldn't think that anyone would want to intentionally offend or insult another member. Even if you think that you're not offending someone, maybe you are but just don't realize it. Upcoming National events 2026 AACA, May 28<sup>th</sup> thru 30<sup>th</sup> Eastern Spring Nationals Indiana, Pennsylvania, next June 11<sup>th</sup> thru 13<sup>th</sup> Southeastern Fall Nationals Oak Ridge, Tennessee.

Thanks for being a member!

Chuck Weimer, LER President
