

Hello LER members.

The 2026 car show overall was a success. Attendance was good. There are always opportunities for improvement, if you have any suggestions, please let any board member know, your feedback is welcome. Most of the week prior to the show the weather was calling for rain, but the weather forecast changed at the last minute, we lucked out and had a fabulous day. I heard a lot of great comments about the food vendor. The show field layout was excellent.

Congratulations to all the show winners! Thanks to everyone that worked so hard and to all the volunteers that helped with the show. How about that open wheel group, 21 cars entered. They certainly don't qualify as AACA cars, but they just wanted to come out to support our club.

Cliff Schulz and I attended the Eastern Spring Nationals Indiana, Pennsylvania on May 29th and 30th. We both completed our yearly judging school on Friday, then Saturday morning after breakfast we took a continuing judges education class (CJE). About an hour after that judging started. The weather couldn't have been any better.

Up next is the summer picnic, we are all set to have a great event.

Upcoming National events 2026 AACA, July 23rd thru 25th Central Spring Nationals Green Bay, Wisconsin. Next is the Southeastern Divisional Tour August 5th thru 8th Flat Rock, North Carolina.

Thanks for being a member!

Chuck Weimer, LER President
