

Hello LER members. WOW, another great outdoor club event, this one was at the Hull Family Home and Farmstead, we had fantastic weather all day. The LER members had a choice of a guided or self-guided tour. It was very interesting hearing about the Hull Family and how they lived. There had to be a last minute restaurant change, arrangements were quickly made at La Bella's on Genesee St. which was right in line with our original destination. If you haven't been to La Bella's and like Italian this is the place to go. The food at the banquet was outstanding. Big thanks go out to Mike Mesi and Ken Knoll for making the last minute restaurant change and for hosting this event. Our next event is Hawk Creek Wildlife Center, if you like seeing wildlife up close you don't want to miss out on this one, see the flyer in the Sidelight for signup information and details. The board is still looking to fill the open position for treasurer, this is a great opportunity to get involved, if you have any interest or know of a candidate please contact any board member. The all-important car show is being discussed at the board meetings, as decisions are made, they will be announced. A group of LER members went to the AACA Grand Nationals in Allentown, PA, some showed their cars and some spectated. If you attended, please let the Activities Awards Chair Peggy Ptak know to receive your activity points. Upcoming National events 2026 AACA, September 9th thru 14th Founders Tour Williamsburg, VA, then September 21st thru 26th Revival AAA Glidden Tour Dover Delaware. Thanks for being a member!
Chuck Weimer, LER President
