

Hello LER members. Well, it looks like summer has come to an end, did that ever go by fast. The summer cruise nights are winding down, but there are still a few weeks left. There is only one more outdoor event left for this year, it's the October LER Poker Run and Road Rally. See the Sidelight for details and the signup sheet. September's event at Hawk Creek Wildlife Center was amazing. We started out having breakfast at The Columns, on my way there I received a phone call which I answered hands free of course and it was Cliff Schulz asking if I had left yet. I responded yes, I'm almost there. Cliff explained that he had accidentally locked his keys in the Chevelle and it was parked in front of the entrance to the banquet facility where he had stopped to take some photos. I said, we can figure it out when I get there. We decided to have breakfast, leave early, go pick up the spare keys and then meet up with the group at Hawk Creek. It all worked out just fine. The breakfast banquet at The Columns was excellent, now on to Hawk Creek. The guided tour of the Wildlife Center was very informative; our guide was very knowledgeable and ready to answer questions from the members. How about that spectacular flying demonstration from The Harris's hawk, which is known as the "wolf of the sky". The wildlife here are not able to survive in the wild, this is the next best thing for them. The Wildlife Center provides a safe and caring home to live out their lives. Big thanks to Karen and Jeff Schawartz for putting together this fantastic event.

Now that I have your attention, the board is still looking to fill the open position for treasurer, this is a great opportunity to get involved, if you have any interest or know of a candidate please contact any board

member. Special thanks go out to Barb Noonan; she has been temporarily filling in handling the treasury duties. The main topic at the last several board meetings has been the all-important car show, each board member has agreed to handle portions of what needs to be handled, so far so good. Thanks go out to all the board members for stepping up to handle the car show duties. As car show decisions are made, they will be announced.
