Hello LER members. The last out door event for this year is now in the books, The October LER Poker Run and Road Rally. Big thanks to George Camann and Jerry Ptak for all the work they did to put this event together. They really out did themselves, planning the route, time and mileage was a factor, counting bridges and numbering landmarks, not to mention the poker cards. Multiple awards were given out, congratulations to all the winners. After the run we enjoyed an afternoon banquet at Danny's South and as usual there was plenty of delicious food, topped off with ice cream with chocolate syrup.

Next event will be back indoors for Desserts in the Afternoon. I'm pretty confident nobody will leave hungry. See the flyer in the Sidelight for details.

Car show update, we have formed a car show committee and recently had a meeting. We have been assigning different car show tasks to board and committee members; we will be trying this process for now and see how it works out. We have visited several possible new car show locations and are discussing the pros and cons of each one. More details to follow.

Spread the word! The board is still looking to fill the open position for treasurer.

Congratulations LER members that received an award at the AACA 2026 Eastern Fall Nationals Hershey, PA. Lee Singer 1948 Playboy Senior and Dan J. O'Connor 1913 Ford Model T Repeat Preservation. Correction from last month's President's message, Kenneth C Kaczka's 1962 Chevrolet Corvette won a Senior Grand National. If you missed going to the Grand Nationals in Allentown, PA there is a video available on the AACA National website, AACA VIDEOS. If you have some time, it's worth taking a look, you may even see some familiar faces. Upcoming National event February 4-6, 2027 Annual Convention King of Prussia, PA.

On a side note, Cliff Schulz and I judged at Fall Hershey again this year. The whole week was perfect weather, with no exceptions the day of the car show. I had an unexpected ask during the judges' breakfast, one of the team Captains at my table recognized me from last year and asked, we are short one team Captain, are you will to fill in? Of course, I immediately accepted and it was an amazing experience.

Thanks for being a member!

Chuck Weimer, LER President
