## PRESIDENT'S MESSAGE

I never thought the summer would end up like this. The people in the northtowns have been able to go to Marvin's Widewaters Drive In, in Lockport, on Thursday evenings for a very nice cruise night that received the "OK" from the county and city so there has been one bright spot. They even have a different live band each Thursday plus the food and ice cream are very good. It has been growing in size each week. If you want to get out with your cars, it's a nice place, plus if you bring an old car you get a free ice cream cone.

With the help of Mark Brylinski & Maria plus Lon and Valerie Wilson the club was able to quickly put together a Saturday afternoon ice cream run on August 8<sup>th</sup>. I believe over 60 members went on the tour and most brought an old car. The tour was nice and the ice cream stop was very good. It was good to see some of our members out and about. There are hints of doing another

ice cream run in September, but it may again come together quickly, so look for the announcement in this Sidelight.

Since last month's message, the National AACA has moved the Annual Grand National show from Allentown, PA to Gettysburg, PA, but keeping the same dates of August 22. I will be attending the show to try and get my Senior Grand National award on my 1971 Buick GSX.

I hope everyone is staying well and enjoying the warm summer.

Till next time...

Tim

P.S. I won my Senior Grand National for my 1971 Buick GSX. See page 8 for more photos that my brother Jeff took.

Flyer Friends;

You may recall the [1907 Thomas flyer Model 35 - Concours Virtual](#) entry a few weeks ago. Since then 245 cars have been judged in 18 classes by 45 judges. In that time the website has seen over 200,000 pages viewed and there have been close to 2 million interactions across social media. The final results are in.....

I'm delighted to report that out of 245 magnificent cars from around the world (judged by automotive experts including Wayne Carini, McKeel Hagerty, Lyn St. James and Bill Warner), the Thomas Flyer was awarded **Most Historically Significant Car!** The Flyer is still winning after 112 years.

Thank you for your interest and support along the way... Jeff Mahl
