

PRESIDENT'S MESSAGE

Cliff's Notes: Fall is here folks, and it will soon be time to set the clocks back. There's a chill in the air and the fall leaves are on full display. Are you ready for Halloween? The best part about Halloween is carving cool faces in the pumpkins. Then maybe eating some of the left-over candy that the trick or treaters didn't get. Sadly, it's also time to wrap up and cover up the hot rods for winter hibernation.

Hey, I know how to brighten up your spirits. It's called DESSERTS – R – US Night Sunday, November 13th, 2022. Bring a dessert or your appetite for a FUN event at the Polish Falcons. Call me at the corrected phone number in this month's Sidelight if you want table space.

I went to the fall Hershey meet again this year and the weather was very nice. The car show continues to be spectacular! Then I caught a vintage train ride with the LER Club. Thanks go out to Don and Joyce Butlak for organizing a fun Fall Foliage Tour.

I see that you have been thinking about, how can I have more fun with the LER Club? YES, you got it right! Join the LER board of directors. Come on now don't be shy. Give me a call and let me unlock your best talents.

Cliff
